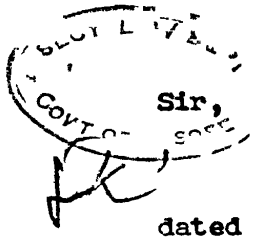
DEPARTMENT OF PUBLIC HEALTH.

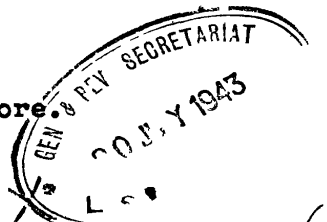
No B.E. /30/43-44. 16/7/43

Office of the Director of Public Health in Mysore,
Bangalore, dated 16th July 1943.

To

The Secretary to Government,
Law Department, Bangalore.





Sir,

Adverting to Government Order No.7712/ML.99-42-11, (B) dated 5-2-1943 requesting to undertake intensive vaccination work in Hassan, Kadur and Chitaldrug Districts, I have the honour to state that on account of the persistance of smallpox in Kolar District, most of the vaccinators available in the Department were deputed to the district for vaccination work As such vaccination campaign could not be undertaken in these districts except in Birur and Sringeri Towns

The epidemic has been brought under control in Kolar District and vaccinators are now available to be posted But on account of the rainy season in Malnad Districts of Hassan and Kadur, no tangible work could be got done. So it is proposed to take up Bangalore, Tumkur and Chitaldrug Districts I request you to issue instructions to the Deputy Commissioners of the Districts to direct the Presidents of the Municipalities to start the vaccination drive in their area when vaccinators are deputed

I have the honour to be,
Sir,
Your most obedient servant

G Ranganna
Director of Public Health

The antilarvae vaccination work has been completed now in the Kolar District it can not be taken up in Chitaldrug, Hassan Kadur Dists as originally ordered except in the taluks of Birur & Sringeri No tangible work can be done in the malnad dists on account of the rainy season hence the work is proposed to be taken up in the Chitaldrug, Bangalore & Tumkur Dists
